Dear Parents,

It has been another great fortnight at Modanville PS.

We have presented badges to our Student Council Representatives and they are now busy organising our Easter raffle with the support of Miss Kerr. The raffle tickets have been sent home and I encourage all families to support this initiative. As always we will have an eggstremely eggciting prize for the student who sells the most tickets.

All of our swimmers deserve our congratulations. Well done! Our next sporting event will be the cross country.

We have 4 students travelling to Tuntable Creek Public School on Friday to participate in a Science Enrichment Day run by the Dorrroughby Field Study Centre. Jason, Lilly, Tyrone and Kyle will be learning about frogs and cane toads, plant propagation and turbidity. They will be joined by students from Corndale, Dunoon, Whian Whian and The Channon.

Please remember to finalise payment of your child’s school fees by the end of Term One. If you are having financial difficulties in meeting this commitment, please speak with Barry.
Also on Friday we will be conducting a training camp for our Chess Team who will be participating in the first round of the State Chess Challenge to be held at Woodlawn next week. We will be joined by our chess friends from Dunoon and Bexhill. Mr Blanch and Mr Henderson will support our students to build on their already impressive chess skills.

Have a great fortnight.

Regards,

Barry

BOOK FAIR:
Don’t forget that our Kings, Queens and Castles Book Fair has started this week with children making out their wish list. The children will be able to make their purchases on Monday and Tuesday 16th-17th March.

Parents are most welcome to come along on Monday 16th between 9.00am and 10.30am to browse and purchase.

We have created a list of books that the library would love to have if parents would like to purchase and donate a book. A sticker will be placed in the book recognising your wonderful contribution to our school library.

Last year’s Book Fair was very successful, with over $1000 worth of sales. This gave the school a commission of approximately $300 in books for the library. Wouldn’t it be fantastic if we were able to reach that amount this year?

Easter holidays are just around the corner and what a great way to keep the kids occupied by reading a book.

We look forward to seeing you at the Book Fair.

**Year 6 Clay Work:**
Live Life Well

Beating Picky Eating

Children with strong food preferences who limit their intake of the needed variety of foods can be a challenge. Some of the following ideas may be helpful:

- Remember: Parents choose ‘which’ foods, children decide ‘how much’
- Create a positive environment at the table
- Be a good role model
- Stick to a routine
- Provide the same meals for the whole family
- Take children shopping, involve them in planning and preparation
- Limit sweet drinks and juice so children have an appetite
- If you are stuck in a constant battle, maybe try a different approach

Road Safety

Helmet and Safety on Wheels

Your child must wear a helmet when riding a bike in any public place – it’s the law

Your child’s helmet must comply with the Australian and New Zealand Standards. It must be securely fitted and fastened on their head.

Although children quickly learn to pedal, steer and brake, they are not ready to cycle near traffic or on the road.

Children under 12 and adult riders accompanying and supervising them may ride on the footpath, unless there are signs specifically prohibiting cycling.
